## CONDITIONS OF USE

### LONGITUDINAL SURVEYS OF AUSTRALIAN YOUTH

I acknowledge that:

1. Use of the material is restricted to use for statistical purposes and that this means that I/my department /organisation can only use the material to produce information of a statistical nature. Examples of such uses are:

- (a) the manipulation of data to produce means, correlations or other descriptive summary measures;
- (b) the estimation of population characteristics from sample data;
- (c) the use of data as input to mathematical models and for other types of analyses (e.g. factor analysis); and
- (d) to provide graphical and pictorial representation of characteristics of the population or subsets of the population.

2. The material is not to be used for any non-statistical purposes, or for commercial or financial gain without the express written permission of the Australian Data Archive National Manager. Examples of non-statistical purposes include (but are not limited to):

- (a) transmitting or allowing access to the data in part or whole to any other person, department, or organisation not a party to this undertaking; and
- (b) attempting to match unit record data in whole or in part with any other information for the purposes of attempting to identify individuals.

3. Statistical tables, graphs etc. obtained from analysis of these data may be further disseminated provided that I:

- (a) identify the primary investigators, data series and version number, and data distributors by including the bibliographic reference for the data file;
- (b) acknowledge another archive where the data file is made available through the Australian Data Archive by another archive; and
- (c) declare that those who carried out the original analysis and collection of the data bear no responsibility for the further analysis or interpretation of them.

4. Use of the material is solely at my own risk and I indemnify the Australian Data Archive (ADA) and the Australian National University, the National Centre for Vocational Education Research (NCVER) and the Commonwealth of Australia against any liability, loss or expense incurred by the ANU, ADA, NCVER or Commonwealth arising from any action taken against them resulting from unauthorised use or duplication of material, or any other breach of conditions set out in this undertaking.

5. The Australian National University, the Australian Data Archive, the National Centre for Vocational Education Research and the Commonwealth of Australia shall not be held responsible for the accuracy and completeness of the material supplied.

6. [Where undertaking signed on behalf of a department/organisation]

- (a) I must draw the terms and conditions of this undertaking to the attention of persons within my department/organisation who shall make use of the material; and
- (b) The Australian Data Archive (ADA) and the Australian National University, the National Centre for Vocational Education Research (NCVER) and the Commonwealth of Australia shall not be held liable for any breach of this undertaking.

7. I agree not to report LSAY student achievement information at the school sector aggregate for the LSAY 2003 and 2006 cohorts.

8. Where research findings based on LSAY are published, or otherwise placed in the public arena, I agree to provide the Australian Data Archive and the National Centre for Vocational Education Research with the bibliographic details and, where available, online links to any published work (including journal articles, books or book chapters, conference presentations, theses or any other publications or outputs) based wholly or in part on the material.
